## VACCINATION TASK FORCE

ADVISORY No. 69 - 2022

**SUBJECT: INTERIM OPERATIONAL GUIDELINES ON THE ADMINISTRATION OF SECOND COVID-19 BOOSTER DOSES (FOURTH SHOT) FOR SENIOR CITIZENS AND FRONTLINE HEALTHCARE WORKERS AGED 18 YEARS OLD AND ABOVE**

**DATE: 18 May 2022**

In accordance DOH Memorandum No. 2022-0206 or the *Interim Operational Guidelines in the Administration of Second COVID-19 Booster Doses to Senior Citizens and Frontline Healthcare Workers Ages 18 Years Old and Above*, these operational guidelines for **booster doses for Senior Citizens and Frontliner Healthcare Workers** are hereby issued:

### I. BASIC INFORMATION ON THE ADMINISTRATION OF BOOSTER DOSES

- Booster doses may only be administered to the vaccinated population who have completed their primary vaccination series (1<sup>st</sup> and 2<sup>nd</sup> doses, or the single-dose of the Janssen COVID-19 vaccine) and First Dose of Booster.
- The Second (2<sup>nd</sup>) booster dose for Senior Citizens and Frontline Healthcare Workers are *Pfzier-BioNTech COVID-19 Vaccine and Moderna COVID-19 Vaccine*. Please see **Annex "A"** for reference.
- Vaccine interval of the Second (2<sup>nd</sup>) booster shall be administered at least Four (4) months after the third (3<sup>rd</sup>) dose or first (1<sup>st</sup>) booster.
- Second booster vaccination in the City of Taguig shall officially start on *23 May 2022 (Monday)* in all hubs that cater vaccine recipients, 18 years old or above.

### II. SCOPE OF APPLICATION

This Advisory shall be applied to individuals categorized as:

- Priority Group A1: Workers in Essential Health Services (including all its sub-groups)
- Priority Group A2: Senior Citizens
- Previously categorizes individuals under Priority Group A1: Workers in Essential Health Services

### III. REQUIREMENTS FOR VACCINATION

All Frontline Healthcare Workers and Senior Citizens shall need the following:

1. **TRACE** registration and QR Code.
2. **Proof of Identity** - a valid ID, or any other government issued ID.
3. **Proof of Vaccination** - their official vaccination card, or a vaccine certificate procured from the VaxCertPh ([vaxcert.doh.gov.ph](http://vaxcert.doh.gov.ph)).

#### IV. BOOSTER SCHEDULING

##### 1. TRACE Online Scheduling

- a. Log-in to TRACE.
- b. Ensure that your profile states that you are fully vaccinated.
  - i. If yes, proceed to the next step.
  - ii. If no, please update your vaccine status, as provided in VTF Advisory 47 - 2021.
- c. Click on Vaccination Online Appointment.
- d. Choose the date, venue, and vaccine brand.
- e. Confirm the choices made.
- f. Wait for the schedule confirmation from TAGUIGINFO via text message
- g. Go to the Vaccination Site of choice on the date of vaccination and bring the following:
  - i. TRACE QR Code
  - ii. Proof of Vaccination
  - iii. Proof of Residence (for Taguig residents only)

#### V. Clarificatory Matters

1. The vaccine recipient may choose their preferred booster vaccine, if the brand is available.
2. The administration of boosters is open to Taguig residents and transient workers who had their primary series/1<sup>st</sup> booster vaccination done outside of Taguig City.
3. Vaccine recipients with a previous history of adverse reactions are advised to consult with their attending physician for the recommended boosting strategy.

For information and guidance.
